There are two levels of Missouri Growth Association membership beginning in 2011. There is the traditional full **Corporate membership for \$575.00** a year for larger firms and for 2011 we are offering an **Associate Membership for small firms of 1-3 people for \$200 a year**. All members receive frequent updates in our newsletter of MGA's monitoring of state and local government activities. MGA sends the newsletter directly to all individuals who are listed in the MGA database and who are designated by their company to receive this information. If you have additional people in your firm that you would like to be included, please list their names and e-mail addresses either on a separate sheet or the back of this application.

Please indicate membership level:

Corporate Membership (For offices of 3 or more) \$575 \_\_\_\_\_  
 Associate Membership (For offices of 3 or less) \$200 \_\_\_\_\_

Additional benefits include: 1) A listing on MGA's website with a click-thru to your company website. 2) Member companies and their staffs receive a significant discount on all MGA activities. This includes all ticket price categories for our St. Louis and Kansas City receptions. 3) The MGA website also has a comprehensive list of links to state and local governmental websites. 4).
